

# GTM FastTrack for Partners

Built for SaaS Companies Who Need:  
**Partners Driving Pipeline—Now**

Your partners aren't stuck because they don't care.  
They're stuck because they don't know how to go to market.

GTM FastTrack for Partners is a 90-day, execution-first sprint that gives your ecosystem everything it needs to activate real pipeline—without overwhelming your internal team.

---

## **We Create It. Then Partners Run With It.**

In 90 days, we build and deliver the full GTM toolkit your partners need to go from passive to revenue-producing:

- White-labelled pitch decks, messaging, ICP and persona guides
- Outbound copy, co-sell sequences, and email templates
- Mutual Action Plans (MAPs), onboarding materials, and scorecards
- Partner-facing enablement kits, launch playbooks, and Q&A support

## **Simple Pricing. Big Ecosystem Wins.**

\$1,000/month fixed fee

- No lock-ins
- Real Partner momentum in 90 days

## **How the FastTrack Works**

Month 1: Build & Create  
We build everything—assets, campaigns, templates, and GTM kits.

Month 2: Deploy & Test  
Pilot with 3 early partners. Launch plays. Gather feedback. Iterate fast.

Month 3: Roll Out & Scale  
Refine, roll out to the broader ecosystem, and drive measurable partner-led pipeline.

## **See what our clients say**

Visit our website below to explore ISV projects and revenue outcomes.

## **Let's Turn Your Partner Program into a GTM Engine.**

Partners activated to deliver real and qualified pipeline—in just 90 days.
